

NAVIGATING CIVIL SUITS

Expert Support for Law Firms

Investigative Solutions Network (ISN), where Excellence meets Expertise. As North America's leading Investigative and Security company, we take pride in our team's support to Police Services, Law Firms and Municipal Legal Departments. Our former police officers, with expertise in all aspects of policing, bring an unparalleled level of support to the fight when you are confronted with a civil lawsuit. ISN offers timely expert insight, empowering you to formulate the optimal path forward.

Services Offered

- **File Reviews:** ISN conducts comprehensive reviews of case files, ensuring that no detail is overlooked.
- **Standard of Care Reports:** The team prepares expert opinion reports for clients, offering valuable insights and analysis.
- **Tailored Solutions:** Our consultative approach merges leading practices with personalized strategies, guaranteeing solutions that drive tangible results.

Benefits to Law Firms

- **Issue Identification:** ISN assists law firms in identifying potential issues within the case, helping them to better understand the challenges they may face.
- **Informed Decision Making:** By providing expert insights, ISN empowers law firms to make informed decisions regarding defense strategies, actions to pursue, or potential settlements.

Areas of Expertise

- **Negligent Investigations:** ISN addresses allegations related to investigative procedures and best practices, ensuring that due diligence is carried out.
- **Excessive Use of Force:** The team evaluates cases involving claims of excessive force, providing expert analysis to support legal arguments.
- **Suspect Apprehension Pursuits:** ISN offers expertise in cases involving pursuit tactics, and procedures, aiding in the assessment of law enforcement actions.
- **Motor Vehicle Collisions:** ISN provides insights into fatal or injury-related collisions, offering valuable perspectives on liability and causation including accident reconstruction.
- **Objective and Unbiased Opinion:** ISN prides itself on offering an impartial third-party perspective to assist both the plaintiff and the respondent counsels.

Best People. Best Methods. Best Results.
