INSURANCE SOLUTIONS

Our Team

Investigative Solutions Network Inc (ISN) is North America's premier private security and investigative services firm. Established in 2006, ISN is led by an accomplished executive team with diverse backgrounds in business, finance, insurance, police leadership, investigative specialists and corporate security.

Fraudulent claims cost insurance companies and policy holders billions of dollars annually. ISN is regularly retained to investigate all aspects of insurance fraud including opportunistic, premeditated, and health/benefits cases. To exceed our client's expectations, ISN deploys a highly-trained team of investigators with a level of experience and expertise unparalleled in the insurance industry.

Geographical Coverage

With offices in major cities and resources throughout the country, our elite team of investigators are available to service virtually any area of Canada. As a 24/7 operation, we provide our clients with industry-leading response time and a single point of contact for all of their investigative needs.
