About Us

Investigative Solutions Network (ISN) is North America's premier Private Security and Investigative Services firm. Established in 2006, ISN is led by an accomplished executive team with diverse backgrounds in business, finance, police leadership, investigations and corporate security. Headquartered in Pickering, Ontario, our elite team of specialists possess hundreds of years of combined experience servicing both public and private sectors.

Why Choose ISN

- As a 24/7 operation, we provide our clients with a single point of contact for all of their investigative and security needs.
- Our elite team is comprised of specialists with broad experience, expertise and proven results based on exemplary police/public sector careers.
- We pride ourselves on professionalism, analytical thinking, a standard of excellence and providing innovative solutions.
- Beyond our scope of services, we provide court-admissible reports, expert testimony and ongoing support to our clients.
